STATUS INQUIRY

May 19, 2005

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant hereby formally requests the status of the above-identified application, as provided for by MPEP 203.08.

The last action which Applicant has received was mailed May 7, 2004. Applicant responded on August 26, 2004 and believes the response should have placed the application in condition for allowance. Applicant did not receive a postcard receipt for the August 26 response, and has made several calls to the examiner to determine the status of the application. The PAIR system reports, as of the date of this filing, that the status is "non-final action mailed".

Applicant therefore respectfully requests that it be notified of the status of the application.

Respectfully submitted,

Max Stul Oppenheimer
